Online Order Instructions

For Silver Dollar City & White Water Tickets

1. Click on the "Purchase Tickets" link provided on the previous introductory page.
2. **If purchasing One-Day Admission Tickets**, enter the 5-digit Corporate Promo Code, then select "Submit" to see your discounted prices.
3. **If purchasing Season Passes**, select the Season Pass tab, enter the 5-digit Corporate Promo Code, and select "Submit" to see your discounted prices.
4. **IMPORTANT NOTE:** Do NOT click on the tabs under the Corporate Promo Code field. Clicking or selecting the tabs will change the rates back to the non-discounted rate and you will not receive your company discount if you proceed with your order.
5. Enter the number of tickets and/or passes you wish to purchase, then select "Add to Cart".
6. Select "Proceed to Checkout" located near the bottom of the page.
7. If you are purchasing Season Passes, a Pass Holder information screen will appear. The top of each Pass Holder Information screen will display the type of pass (adult or child) for which you are entering information. The information you enter here will be printed directly on the Season Pass, so be sure to enter the correct information for each individual Pass Holder. Required information includes first and last name of Pass Holder, their address and date of birth. Upon completion of each Pass Holder Information screen, select "continue" under the date of birth. If you have additional Season Passes, another blank information screen will appear, and you will follow the previously outlined steps. This sequence will continue until Pass Holder Information is complete for each Season Pass you are purchasing. After information for the final Pass Holder is entered, or if no passes are purchased, the system will move to step 6.
8. Complete all required fields on the Payment Information page, and select the "Delivery Method". You will be prompted to complete any incomplete fields. Season Passes may be mailed, or held for pick-up at the park. If Season Passes are purchased on your order, the Print At Home delivery method will not be available for any part of your order.
9. Select "Continue Shopping" if you would like to add more items to your order, or select "Purchase" if you are ready to complete your order. It may take up to 30 seconds for your order to process. During this time, do not press the back key or any other commands.
10. A confirmation page will display, from which you can view your receipt and Print At Home Tickets (if that delivery method was chosen). You may then print the confirmation/receipt and tickets using your printer.
11. An email will be sent to the email address you provided that contains a duplicate confirmation/receipt and summary of your Print At Home Tickets (if that delivery method was chosen). We provide this email with a link to re-print your tickets in the event you skipped this step, or need to re-print them for any reason. These tickets are securely coded to prevent duplicate admissions.

Print At Home Instructions

For Silver Dollar City & White Water Tickets

You must have a current version of **Adobe® Acrobat Reader®**, an **internet connection** and a **working printer** that prints on regular paper with dark, clear lines in order to print tickets at home.

If you have difficulty printing your tickets, there are two options:

- 1) You may print tickets from your email confirmation.
- 2) Tickets may be reprinted at the park by providing your phone number or name to our ticket agents.

If you did not receive an email confirmation, or if your tickets still fail to print, please call our Corporate Partner Customer Service Department at **800-282-2489**.

When printing your tickets, you will receive a confirmation page, plus additional pages with up to 3 tickets per page. The ticket pages can be cut apart so each person has their own ticket for entry, or you can leave it on the 8.5" x 11" sheet and present the entire sheet for entry to the park.

If you lose your ticket, or it becomes wet or unusable, you may stop by any ticket booth and ask for a replacement at no additional cost. A regular ticket will be issued that will provide you with the same entitlements as the ticket you purchased less any visits already used. Silver Dollar City admission tickets include shows, Marvel Cave tours (except Lantern Light tours) and rides. You only pay for the food or merchandise items you choose to purchase, and paid games at The Grand Exposition.
